State Route 128 Slope Protection Project  
Night Closures begin August 24 at 11 p.m.

**SONOMA COUNTY** – On Monday night, August 24, Caltrans will begin full closures of State Route 128 in order to place piles for a retaining wall project approximately 1.4 miles west of the three-way intersection of North Cloverdale Boulevard, North Redwood Highway, and Oat Valley Road, and approximately 2.4 miles east of the Mendocino County line.

### Closure Schedule

State Route 128 will be closed from 11 p.m. to 5 a.m. on the following days:

- Monday night, August 24, through Thursday night, August 27.
- Sunday night, August 30, through Thursday night, September 3
- No work during Labor Day Weekend
- Tuesday night, September 8, through Thursday night, September 10

**Detour:** Motorists will be detoured to State Route 253. When traveling from Cloverdale to Boonville, the detour adds approximately 16 miles and 20 minutes of additional travel time.

For all other hours, one-way reversing traffic control will continue until the project is complete in mid-October 2015, and motorists should expect delays when traveling through the construction zone.

If this work is delayed due to weather conditions, it will be rescheduled for a later time. Please drive cautiously through the construction zone, leave a safe traveling distance between your vehicle and the vehicle ahead of you, and Slow for the Cone Zone.
